

## SUSTAINABLE DEVELOPMENT GOALS (SDGS) - SLOVENIA

Documents and reports listed below present the 17 Sustainable Development Goals of the Agenda 2030, as well as Slovenia's strategic vision for the country supported by a long-term national development strategy to achieve a number of the Sustainable Development Goals of the Agenda 2030, the implementation of these goals so far and Sustainable Urban Strategy for Novo mesto.

### LIST OF THE DOCUMENTS:

#### in Slovene:

1. [Trajnostna urbana strategija NM 2030](#) (Sustainable Urban Strategy for Novo mesto 2030)

Novo mesto je pristopilo k pripravi Trajnostne urbane strategije za obdobje do leta 2030 z namenom oblikovanja in določitve strateških usmeritev razvoja mesta. Sprejete odločitve morajo biti: - trajnostne, da bo Novo mesto raznoliko in produktivno mesto za dolgoročno vzdrževanje blaginje prebivalcev, ki je odvisna od naravnega okolja in odgovorne uporabe naravnih virov, urbane, da bo Novo mesto prostor bivanja, dela, ustvarjanja, izobraževanja, znanja in druženja, v katerem se razvijajo inovacije in tehnologije za dolgoročno vzdrževanje blaginje prebivalcev, ki je odvisna od produktivnosti in družbene enakopravnosti; - strateške, da bo Novo mesto zagotavljalo blaginjo prebivalstva načrtno, z dolgoročnim načrtom dejanj, potrebnih za reševanje prepoznanih problemov pri doseganju zastavljenih ciljev.

2. [Spremenimo svet: Agenda za trajnostni razvoj 2030](#) ( LET'S CHANGE THE WORLD: AGENDA FOR SUSTAINABLE DEVELOPMENT BY 2030)

Dokument predstavlja 17 splošnih in 169 konkretnih ciljev trajnostnega razvoja, h katerim so se zavezali predstavniki Organizacije združenih narodov. Cilji izhajajo iz želje po nadgradnji razvojnih ciljev tisočletja in uresničitvi vsega, kar tam ni uspelo. Cilji so medsebojno povezani in neločljivi ter enakopravno združujejo vse tri razsežnosti trajnostnega razvoja: ekonomsko, družbeno in okoljsko.

#### in English:

1. [Development Strategy 2030 SLOVENIA](#)

The Slovenian Government has developed a strategic vision for the country supported by a long-term national development strategy to achieve a number of goals towards that vision by 2030 and meet its commitments to the UN Sustainable Development Goals. This report uses a multi-country and multi-sector modelling framework to develop a baseline scenario of the Slovenian economy until 2050, taking into account developments in neighbouring countries and, more broadly, the major regions of the world.

2. [IMPLEMENTATION OF THE SUSTAINABLE DEVELOPMENT GOALS Second Voluntary National Review SLOVENIA 2020](#)

Slovenian Development Strategy 2030 is the country's umbrella development framework outlining a high quality of life for all. Slovenia incorporated the SDGs into its Development Strategy 2030. This Second Voluntary National Review of the Implementation of the SDGs by the Republic of Slovenia presents the state-of-play and progress made in achieving the SDGs.
